Do you own an airplane?	In my dreams!
Why did you start flying?	I was a passenger in small airplanes on vacation in Alaska and Africa and it fascinated me. I thought that piloting an airplane would be tremendous fun – and it is!
Tell us about your favorite flying adventure	It's hard to pick just one! I've enjoyed every time I've flown in the beautiful Colorado mountains.
Why did you join the 99s?	I was training for my private pilot certificate and I hadn't met any other women at the flight school. My instructor told me about the 99's and I joined right away.
