

## Colorado 99s Poker Run Rules and Score Sheet

1. All cards will be picked at the designated stops on the Poker Run. No duplicate cards can be used. Participants must draw an additional card if an identical card is drawn.
2. If playing MORE than one hand, the participant must present a second Poker Run Score Sheet to be marked BEFORE each card is drawn.
3. A Poker Run volunteer will mark your scoresheet and staple the card to the sheet. Marker Pen will be as follows: BDU – orange; BJC – purple; EIK – green; FNL – blue; LMO – red.
4. One playing card per score sheet will be drawn at BDU, FNL, and EIK. Two cards will be drawn at BJC and LMO. Your score will be calculated from the best 5 cards out of the 7 drawn for that score sheet.
5. In case of a tie, the cards will be examined to determine the higher numbers. For an exact tie for the winner, there will be a draw for High Card to determine the winner.
6. Participants **MUST BE PRESENT** to receive any prizes!
7. All decisions of the judges are final.
