

99s Member Profile

Margot Plummer

What is your occupation?

I tote a camera, and run 5Ks
I'm a busy retiree,
Now I'm flying airplanes
And writing poetry ☺

99s Member since (Year)

A student pilot since two thousand three.
And a member after that.
I haven't mastered dives and rolls,
But I have spins down-pat. ☺

Type Certificate(s) you hold

I have a medical certificate,
It keeps me in the air.
I studied for it night and day
And passed it with a flair. ☺

What rating(s) do you hold?

I am the pilot in command,
My instructor's on the right.
I let her do one touch-and-go
With our every flight. ☺

How many flight hours do you have?

Forty hours are in sight.
But I think I need some more,
So my landings aren't as bouncy
As they've been before. ☺

Do you own an airplane? If so, tell us about it.

I own a model airplane
Of a Russian cargo brand.
The largest plane I've ever seen
And hope I can command. ☺

Why did you start flying?

Amelia Earhart told me once when I had a dream,
"Don't let your dream run out of steam."
And "Stay abeam of your dream."
So I became a 99, a dream with esteem. ☺

Tell us about your favorite flying adventure

The most magical thing that I've done
Is fly beneath the stars,
Like a ship sailing in twinkling ink
'Neath Mercury and Mars. ☺

Why did you join the 99s?

The most "with-it" women in the world
Are called the Ninety-nines,
I want to be among them
Because they are so fine. ☺

What is your favorite 99s event or activity?

The Social time way down south
When I don't have to drive,
Deb and I just fly in,
O'er the cars on I-two-five. ☺

Me as Amelia Earhart

"Be silly at all cost."
