Occupation	High School Student
Year that you joined	2025
Highest Pilot Certificate you hold	Private Pilot Student
Ratings you hold	None
Flight Hours	66.7 hours

Do you own an airplane?	No
Why did you start flying?	I started flying because of my love for travel and being able to see the world from a new lense. As well as the joy it would bring me to one day help families reunite or help them get to their long deserving vacation. The internal joy it must bring to pilots, I can only imagine is endless.
Tell us about your favorite flying adventure	My first cross country solo to KSBS from KEGE, was so exhilarating to me and brought me great joy and inner pride. Being able to fly by myself and take in the beauty of my home, had reinsured my passion for flying.
Why did you join The 99s?	My whole life I have been taught that community means everything, and to find a community that I fit into like the 99s has made me feel so welcome and even more passionate for my future in aviation.
What is your favorite 99s event or activity?	I am a new member but want to become more involved.
Hobbies, interests, or information about your self that you would like to share	I am very involved in my schools sports, participating in four varsity sports, including my pride and joy, being apart of Summit High School's rugby team and earning first team All-State honors in Colorado. I have as well, in honor of my heritage, started a Slavic Heritage club that now has 8 members. I am very community and academically driven, always trying to better myself and those around me.
